The prices for the Sweet corn are for the hand picked stocks and the field corn for the commercial grade Cleaned, but not hand-picked. If you wish handpicked stocks of Field corn add 40c per bu. to the prices quoted to cover the cost of extra handling, handpicking, etc.

We recommend our handpicked stocks for those who wish the best grade of corn from which they will get better results at a slight additional cost of about 5c per acre for the seed required. The commercial grade is intended for sowing or drilling thickly for silos or ensilage purposes and is not intended for checkrow and ordinary drill planting for elevator purposes.

The quotations are made for prompt acceptance subject to the stock remaining unsold; delivery F. O. B. Fremont; sacks extra; shipment as soon as the stocks can be made ready; terms, draft attached to bill of lading payable upon arrival of the corn.

SHIPMENTS TO BE MADE DIRECT TO OUR CUSTOMERS AS CONSIGNEES UNLESS OTHERWISE SPECIFIED BEFORE SHIPMENT.

Hoping to be favored with your esteemed orders which we will give our careful attention, we remain,

Yours truly,

WESTERN SEED & IRRIGATION CO.
